

Albion Basin Conservation Easements Albion Basin Area

This map shows land owned by the Salt Lake City Corporation on which Friends of Alta holds conservation easements. Other privately owned land and public lands are also shown. All land ownership data was provided to the Town of Alta (ToA) by the Salt Lake County Recorder's Office. The ToA has spatially adjusted this data to alleviate known inaccuracies. However, known errors persist throughout this data, and mapping products utilizing this data should be used for small-scale planning only. Background six-inch High Resolution Orthoimagery (HRO) was acquired by the ToA from AGRC. This image was flown in 2012. Data pertaining to creeks was also acquired from AGRC. Data pertaining to ski lifts, roads, trails, and the town boundary were developed by the ToA.
