## Daniel Christian

Daniel Myall Christian Sr, was a son, brother, uncle, nephew and our father. He was the best father he knew how to be. He loved us with all his heart and we loved him back with all our hearts. We will miss his kindness, his voice, the phone calls, and his love. We have fond memories of fishing, camping, and beach days with him as a child. He always had love and time for us We love and miss you Dad - Steven & Daniel, Jr

Our Dad was a loud, funny, and a crazy man who loved his family, animals and guns. He had a huge heart and If you needed somewhere to stay his door was always open. I loved talking to him, and he would always find a way to make me smile if I was sad. Our thing was watching Sci-fi movies together and it's something I wouldn't want to do with anyone else - Trevor

There is no distance, even Heaven, that could keep me from remembering your laugh and silly comments - Kodi

Daniel always worked hard for his family and would do all he could for others. We lost more than a father and husband we lost a great friend. I will miss our times together but know we will see each other again Love you more xoxox - Kari
