

FRIENDS  
OF ALTA

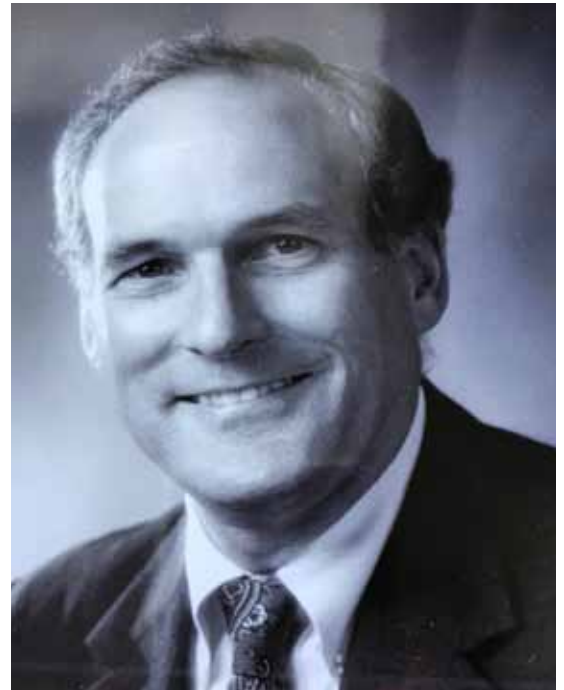

In Memory of  
Alec Searl

September 14, 2018 | Memorial Grove | Alta, UT

Alec loved Alta for its natural beauty, magnificent terrain, and beautiful “bluebird days.” He was an avid skier and felt so fortunate to be able to ski there with his family, friends, and men’s group. The 2015 Alta Season was his “68th year on skis,” and he never missed a chance to ski the trails off of his favorite lifts, Sugarloaf and Supreme. Our family is honored and grateful to Friends of Alta for the opportunity to have participated in the Memorial Tree Planting Program and to know that we can visit the Memorial Grove whenever we are at Alta.

With much appreciation,  
The Family & Friends of Alec Searl
